

Academic Success Workshops

Metropolitan State University offers Academic Success Workshops both in person and online to **ALL** students. The workshop will introduce you to time management techniques, evaluate your approach to study and time management and help you chart a strategy for successful academic performance.

Please Note: Students on probation are **REQUIRED** to complete either the online or in person version of the academic success workshop and meet with their academic advisor prior to registering for courses. Register for the academic success workshop and schedule your advising appointment as soon as possible in order to avoid a delay in your ability to register for classes.

Register for either version of the Academic Success Workshop:
